

Manulife is a leading international financial services group that helps people achieve their dreams and aspirations by putting customers' needs first and providing the right advice and solutions.

## What we offer

We provide solutions to individuals and business owners, mainly through independent advisors. Group life, health, disability and retirement solutions are offered to Canadian employers through consultants, brokers and independent advisors. We also provide international employee benefits management to multinational corporations. Life, health and specialty products, such as travel insurance are also offered.

## Promoting health and wellness worldwide

## Investing in our communities

Helping the citizens of Montreal stay active and healthy with **6,200 bikes and 540 stations**.

This year is Canada's 150th birthday and Manulife is a premier corporate partner of the ParticipACTION 150 Play List, encouraging Canadians to get active.

Proud supporter of the Cooking Toward Independence program, which will provide **1,500 young people** transitioning out of the child welfare system tailored cooking, food budgeting and nutritional workshops, as well as help them enroll in physical fitness activities.

Providing academic, financial, social and one-on-one support to young people from low-income communities. The program has resulted in an increase in high school graduation rates by an average of **85 per cent**.
